

Called Business Meeting

March 3, 2010

The Church was called into business session for the purpose of receiving the Mission Task Force report. Vice-moderator, Joe Boykin, convened the meeting at 6:10pm.

Background: The Mission Task Force was formed in May, 2009 and sanctioned by the Deacons to help First Baptist Church of Clemson become a missional church by aligning our calling with God's work in the world. Members are Martha Ann Callahan, Becky Jo Clark, Tiffany Hamilton, JoAn Shearin, Troy Terry, Page Tomlinson, Steven Welter and Charlie White.

Reverend Tiffany Hamilton presented the task force report which is attached. It was pointed out that Goal 1 originally had three (3) objectives and that since the original distribution, Goal 1, Objective two (2) {Coordinating Council representative} and three (3) {Long Range Planning} have been deleted. Reasons were given for this change. Additionally, the timeline for Goal two (2) was changed to read "January 2011".

After considerable discussion regarding the implementation of the plan, a motion was made by Committee Chair Hamilton that the committee was seeking affirmation of the plan by the church. The motion passed.

A second motion was presented which recommended the approval of a new job description for the Mission Committee (Attached). The motion was passed and the new job description will be incorporated into the Committee Manual immediately.

Dr. Rusty Brock made positive comments regarding making FBC missional and thanked the committee for their effort.

Motion to adjourn was passed at 7:00pm.

Respectfully Submitted: Dan Ezell, Interim Clerk
